

Adeau zurlinux.com

Finnbarr P. Murphy

(fpm@fpmurphy.com)

I have decided to close the zurlinux.com website and move all the content to this website.

This work will take a few weeks to complete. All the posts from that website have been imported into this website but some clean up is necessary - especially w.r.t. post excerpts.

I plan to redirect zurlinux.com to this website in about 2 weeks time.

For personal use only
